

Where is the capital city of China?

The capital city of China is Beijing.

What's the corresponding text of this speech?

A large open fireplace with rusty dogs in it and a bare boarded floor at the far end fleeces of wool stacked up in the middle of the floor some empty corn bags.

What objects can be found at the far end of the room described?

At the far end of the room, there is a large open fireplace with rusty dogs in it, and a bare boarded floor.

Question: What can be inferred about the location based on the description provided?
Options:

- A. The location is an abandoned farmhouse.
- B. The location is a hunting lodge.
- C. The location is a textile factory.
- D. The location is a barn for storing grain.

Answer is Option A because Option A suggests that the location is an abandoned farmhouse, which is supported by the mention of rusty dogs, empty corn bags, and fleas of wool stuck up in the middle of the floor. Option B, C, and D are not supported by the given speech.
